Brighten your smile in less than 60 minutes!

Little to No Sensitivity • Instant Results
No Down Time • More Affordable • FDA Approved

TEETH WHITENING SESSION IN STUDIO 60 MIN | \$199

Whiter teeth within minutes without the sensitivity. You'll be walking away with a smile 7-14 shades brighter. 5x faster than using strips and we promise to remove the most set-in stains with our natural, but strong solution.

MAINTENANCE SESSION IN STUDIO 45 MIN | \$99

Perfect for existing clients who need a quick pick-me-up before a special event or vacation. We recommend this as a maintenance option every 3-6 months after your initial 60 minute in-studio visit.

ON THE GO - MOBILE TEETH WHITENING 60 MIN | \$229

Relax in your jammies, we don't judge. We'll come to you and service those pearly whites with a 60 minute session + set up. Mobile services include any additional traveling fee(s).

We use a dental grade whitening gel that is natural, plant and mineral-based. No harmful chemicals, which means little to zero sensitivity, never tested on animals. FDA Approved and Kosher. The Hydrogen Peroxide gel is made fresh each day and features GSE (grapefruit seed extract), which has been found to be an effective deterrent in periodontal disease and gingivitis.

I can't believe this worked better
than my dentist! - Janette

This is amazing! I cant believe how white my
teeth got. I can't wait to come bock for my
maintenance treatment. - Britney
